The PinnacleHealth Sports Medicine Center

provides comprehensive treatment for patients with injuries or other medical conditions that affect their ability to exercise, participate in sports or maintain an active lifestyle.

Our team has the best orthopedic surgeons, sports medicine specialists and rehabilitation professionals in the business. We offer a full range of treatment options to address any level of injury, from preventative and non-surgical steps to highly advanced surgical procedures.

So whether it's football or bocce ball, a sprained ankle or a torn ACL, we can help.

**Call our Sports Medicine line today at
(855) 979-7767 (SPORT), 24 hours a day, seven
days a week, for your sports-related injuries.**

Michael Cordas

Primary Care
Sports Medicine

Dr. Cordas is board certified in Family Practice and Sports Medicine and is the chairman of the Medical Advisory Committee of the Pennsylvania Interscholastic Athletic Association, a member of the Pennsylvania Athletic Commission and an advisory member of the National Athletic Trainers Association.
